## HISTORY OF INDIA PALACE RESTAURANT

We would like to thank all of our patrons, friends and family for all the help in keeping India Palace open all these years. My husband Artar & I founded India Palace in 1996, & were located on Crater Lake Ave, In the Cedar Mall for 4 yrs, then moved here to The Blue Sky Plaza Oct 2000. Indian Food has been unfamiliar to most, but we have enjoyed introducing & sharing the exotic flavors of India and our home recipes to the residents of the Rogue Valley. Many have come to love all the imported flavorful and Exotic spices of India.

Through out the years, you have come to know our children, Jiven, Jasa, Kawita, Rani & Chandni, and understand how very important our family is. We pride ourselves in offering an elegant but casual family atmosphere here at India Palace, and look forward to knowing you & your families as well. Artar is our Head Chef & our oldest sons Jiven & Jasa have grown to be his assistants. Our food is prepared fresh with a lot of love, as if we were preparing for our own family. Our curry is homemade with all of the exotic spices of India and prepared mild, unless specified to be hot. Since each entrée is prepared fresh, we appreciate your patience & hope you enjoy your experience here at "India Palace" Thank You For Dining With Us.....
